ALLOTMENTS LETTING AGREEMENT and RULES

Wandsworth Council owns allotment sites as a public amenity for members of the local community to use in accordance with procedures laid out in this document and governed by allotment legislation.

Until further notice, Enable Leisure & Culture manages the allotments service on behalf of Wandsworth Council.

The Roehampton Garden Society (RGS) manages the allotment site plots in Dover House Road and The Pleasance on behalf of the Council. RGS manages the plots in line with the Council's management policies on other sites. Tenancies at these sites are also governed by the lease between RGS and Wandsworth Council, as well as under the rules of RGS. Specific exceptions are noted in the text.

RGS is governed by its CONSTITUTION (Nov 2012)

(Constitution available on website.)

Section 1: RGS policies on allotments

- An allotments tenancy may only be obtained via the allotments waiting list. An allotment tenancy may not be passed on through family members or friends. Plot Holder Partners (PHP) may take over the plot from the Plot Holder. For detail see Definition of Plot Holder Partner (PHP) and Plot Holder Assistant (PHA). Allotments are allocated in chronological order of application.
- When a plot holder dies or quits the plot and there is no PHP the tenancy ceases and the land returns to Wandsworth Council. It is the responsibility of the RGS to re-let it as soon as practical.
- When a plot becomes vacant it will be re-measured and if it is a suitable size to split it will be divided as long as there is demand from a waiting list of applicants.
- An applicant must be a resident in the Borough of Wandsworth and must be aged 18 years or over when making the application.
- Allotments plots will be allocated on the basis of no more than 5 rods in total per household. (see "RGS Offering Plots to Let – Objectives and Procedure")
- The RGS keeps its own waiting lists but an eligible applicant may apply for an allotment at any number of sites in Wandsworth. Once allocated an allotment all other applications for an allotment in the Borough from the Tenant will be voided.
