

## Summer Show 13th June 2026

This year the show was back in St Margaret's Church. The hall leading on to the garden was safe from whatever the weather wanted to throw at us. We were able to put tables and chairs out in the garden so that visitors could take out their tea and cakes.

With the hot days we experienced at the end of May some crops were already over such as asparagus and strawberries, whilst others had hardly started such as courgettes and sweet peas.

A big thank you to all the volunteers who helped make the day a success.
